

**Bartlett Campus
Volunteer Needs
(901) 386-3961**

Fall Festival: Held annually in October, the Fall Festival provides the opportunity for our neighbors in the community to learn more about the Tennessee Baptist Children's Home while having fun with their families. We have a car show, concessions, and activities for children. Volunteers are always needed to assist with this day of fun on the Bartlett campus.

Food Shower: The TBCH food shower runs during the months of September and October ending with a sorting night (typically in the first week of October) where lots of volunteers are needed to help sort donations and transport them to the Commissary. This is a great project for volunteers of all ages.

Gym Night: This is an opportunity for a small group to interact with all of our children and gives our house parents some much needed time away. You can provide food and snacks, play games, watch a movie, or have an open gym. Be creative and have fun with it! We have found this event works best when hosted by a small group of adults from churches or businesses, and each group that hosts a game night does it a little differently. Gym nights are scheduled to last for 2 hours on a Friday evening, and we try to keep them at a maximum of 2 per month.

Receptionist: This opportunity allows you to help the office side of our ministry. You will help the staff answer the phone and greet visitors during regular office hours.

Recreation: On Thursday afternoons, our children under age 12 come to the gym for afternoon recreation from 3:45-4:45pm. It's usually a free for all, but the kids love it when groups come in with planned games/activities. Your group could come and head up the activities for one of those Thursday recreation sessions. In the summer, Recreation is held on Mondays and Thursdays.

Tutoring: If you are interested in volunteering your time by tutoring, tutors are needed for children of all ages in all subject areas including Math, Science, Social Studies, English, and foreign languages.

Yard Work: Any maintenance projects we have at this time require professional services, but we do have occasional yard work tasks that need completing like raking leaves or weeding flower beds.
