

## **Boy's Ranch Volunteer Needs**

**Friend's Family** - A friend's family is a committed Christian couple who is willing to host our residents in their homes for a weekend visit once a month. These are young men who for various reasons are unable to go home to visit their family. These friend's families provide the young men an opportunity to see another positive Christian environment outside of the Ranch. Many times the friend's families make a great impact on the young men's lives and establish long – term relationships with them. These couples are required to go through a screening process and orientation process. For more information contact Anita Caradine at [acaradine@tbch4kids.org](mailto:acaradine@tbch4kids.org).

**Mentors** - A mentor is a committed Christian man who is willing to invest some time in the lives of one of our young men. A mentor must have good listening skills and a passion for working with teen-age boys. Mentors are a valuable resource to our ministry because it allows our young men to interact with other Christian men who can provide insight into their lives. Mentors are required to go through a screening process and orientation process. For more information contact Anita Caradine@[tbch4kids.org](mailto:tbch4kids.org).

**Tutoring** – If you are interested in volunteering your time by tutoring, the boys are in middle and high school and need help in the subjects of Math, Science, Social Studies, and English.

**Date Night** – This is an opportunity for a small group to interact with all of our children. Date Night gives the house parents much needed time away. You can provide food and snacks, play games, or watch a movie or have open gym. Be creative and have fun with it. We have found this event works best when hosted by a small group of young adults or adults from churches or corporations.

**Equine care/program** – Provide training to boys about care and maintaining equine.

**Shop/Welding program** – Provide hands on training to boys with shop and welding equipment

**All male youth groups/individuals for small projects**

**All male skilled groups/individuals for painting/larger projects**

**Campus Tours** – If you are interested in learning more about our ministry, you can e-mail us to schedule an appointment for a campus tour. This is open to individuals and groups.
